## MX FUEL™ SCREED

- The MX FUEL™ Screed is the ideal solution when working on larger areas, delivering petrol like performance without petrol headaches
- Power to pull blades up to 4.9 m
- The push-button start delivers instant power, eliminating the repetitive motions of a pull start and reducing downtime, allowing you to get jobs done faster without sacrificing the power and run time you expect
- The POWERSTATE® brushless motor delivers the power to pull 4.9 m bar at 9,000 VPM with a variable speed trigger, giving you maximum control in stiff and wet concrete
- Foldable handles for easy transport on site and in concrete
- Easy quick connect system of the blade with two bolts
- Up to 2 hrs of run time per charge with the 3.65 m blade and the MXF CP203 battery
- System attachments, blades are available separately
- Building on the strengths of the FUEL™ technology, MX FUEL™ system reaches new levels of cordless performance. Focused on petrol, corded and pneumatic performance, these tools deliver without the hazards associated with emissions, noise, vibration, tripping hazards and the frustrations of complex maintenance
- ONE-KEY™ tool tracking & security offers a free of charge cloud-based tracking network and inventory management platform for your tools. ONE-KEY™ also features a remote locking functionality
- Supplied with a 9/16" wrench
