

Short Tape Steel BT

Steel tape with marks on both sides for precise measures and setting out walls. Yellow steel blade graduated using highly accurate inkjet print with a matt finish allowing reflection-free reading. The back of the blade is marked with CC-measurement for 30/60 and 45 cm to assist with setting out walls. Rubber protection at all impact points and a high impact case made of ABS plastic. Integrated bump stop for blade return protection.

Features

- Unique belt clip with a quick release function that allows the tape to be released with one hand.
- Ergonomic thumb brake for easy blade locking.
- CC-graduation for every 30/60 and 45 cm.
- Internal measurements can be taken by simply adding 100 mm.
- Rubber end-hook with clearance for internal and external measurement.

EU Class I certified, Belt clip, Internal measurement function, Rubber grip, Transparent end of tape
