

Double Holster STK & HVK

Double holster including the chisel knife STK and the craftsman's knife HVK. The chisel knife is a robust knife with V-shaped grinding chisel function, and the craftsman's knife is developed and adapted to meet the different needs of craftsmen. With these 2 knives close at hand, you can be sure to be well equipped for all tasks. A double holster always allows you to have access to the two knives you use the most, and your job gets done efficiently. The double holster is made from impact-resistant PP plastic, joined by rivets and an elastic loop. Our double holster is also available in many different combinations. Once your knives are worn out, keep the holster and use it again for new knives. A great way to minimize our carbon footprint!
