

Step Ladder 55P

Robust ladder for professionals that demand quality in every detail. The perfect choice for anyone who wants a versatile and reliable ladder for varied tasks. Innovative fastening technology with FDS-screws provides a stable construction with minimal flex and a really long service life. Approved as "Bra Arbetsmiljöval" a good choice for safe work, up to five steps.

- Metal platform (310 x 270 mm) with bidirectional anti slip pattern and a design that allows it to close quietly.
- Ergonomic step fronts to lean shins against and grip friendly profiles make the ladder easy to carry and comfortable to work on.
- Deep aluminium shelf, screwed directly into the side profiles for increased durability.
- Steel braces for safer use.
- The aluminium profiles are anodized to prevent staining of your hands and clothes.
