18V Powered Cooler RY18CB23A-0

- Ryobi's 18V powered cooler is the perfect solution for keeping food and drink cool outdoors
- 23L capacity means the cooler can easily store up to 33 330ml
- Able to achieve and maintain any temperature from 20°C all the way down to -20°C, meaning the cooler can also be used
- Drainage plug makes the cooler ideal for storing ice, and easy to rinse out after use
- Swing handle and robust wheels make transporting the cooler easy, even when it is full
- Dual 18V battery ports offer extended runtime
- Built in bottle opener means you'll never have to worry about forgetting to bring one with you

Article Number	5133006103
Battery type	Li-ion
Charger included	No
EAN Code	4892210224811
No. of batteries supplied	0
Power	18V
Power	18V
Standard equipment	12V Car Plug, AC Wall Plug
Supplied in	Gift box
Weight (without battery) (kg)	13.5
Weight with battery pack (EPTA) (kg)	15
