

# 18V Cordless Submersible Pump (Bare Tool) RY18SPA-0

18V ONE+

18V ONE+ 3 YEAR WARRANTY

- Cordless pump ideal for reducing swimming pool water level before rain season, or for emergency situations such as a basement flood. Super high flow rate means you can get the job done fast, without the hassle of setting up wires and finding power
- At the bottom of the pump, there is a latch to switch a filter on and off. When the filter is on you can use the pump in dirty water. The mesh will block out particles larger than 1mm in diameter. Switch filter off in clean water applications
- Three timer settings allows you to set the pump to either 5, 10 or 15 minutes. Leaving you free to get on with other tasks whilst the pump shifts water up to 4,200 litres per hour
- Included all mount hook makes it easy to store your battery box out of the way, and clipped away from water

Article Number	5133005778
Battery pack capacity (Ah)	-
EAN Code	4892210213853
No. of batteries supplied	0
Power	18V
Power	18V
Standard equipment	Discharge elbow with 1inoutlet size and locking pin, wall mount hook and clip
Supplied in	Recyclable Carton
Weight (without battery) (kg)	4
Weight with battery pack (EPTA) (kg)	4.6
